## Card Application

### Card Application

- To process your card application, your KYC documents (an identification proof and an address proof) will be provided for the card issuer based on its card issuing policy;
- You will be contacted via email if the KYC documents you have provided are not qualified.

- Currently UPI Prepaid Card application is available for Standard Account. Fast Account user please upgrade your account first.
- Before submitting card application, please make sure there is enough balance in your fiat currency account to pay 40 USD as the card fee.
- If the KYC/KYB documents you submitted have expired or there is an additional file request from the Card Issuer, NGO Settlement Bank will ask you for other proof documents.

- UPI Prepaid Card(Unionpay International Prepaid Card) is a prepaid card charged with USD.
- Every user can apply for 1 card in his/her name. Please do not resubmit the card application.
- UPI Prepaid Card can be used at online shopping , any retail store or ATM with the UnionPay International card logo.
- Card can be automatically activated upon authentication of the last 6 digits of your card number and initial card top-up in NGO Settlement Bank system.
- You may receive the card within 2 to 3 weeks after successful application.
- For fees and restrictions of the Card, please refer to the details by clicking the following "About UPI Prepaid Card" button.
