(2) If you want to transfer money to different type, you need to exchange money

The screenshot shows a user interface for a cryptocurrency exchange. On the left, a green sidebar contains navigation options: Deposit, Exchange (highlighted with a red box and arrow), Transfer, and Card. The main content area is divided into several sections:

- Transcation History:** A section at the top right with a search filter and a date range set to 2018/09/10 10:19.
- Portfolio:** A central section featuring a donut chart that is entirely orange. Below the chart is a legend with four items: USD (blue dot), BTC (orange dot), ETH (green dot), and XRP (red dot). The total portfolio value is listed as \$959.00. A red dashed box highlights the legend, and a red arrow points from the text 'Type of money, you will know by Colors' to it. Another red arrow points from the text 'All is orange = BTC' to the orange donut chart.
- News:** A section at the bottom left with the text 'No Data.' and a 'more' link on the right.

Annotations include:

- A red box around the 'Exchange' menu item in the sidebar, with a red arrow pointing to the text '(2) If you want to transfer money to different type, you need to exchange money'.
- A red arrow pointing from the text '1) Notice your Portfolio what type of money do you have' to the Portfolio section.
- A red arrow pointing from the text '* this example have BTC because the color of the circle is orange' to the orange donut chart.
- A red arrow pointing from the text 'All is orange = BTC' to the orange donut chart.
- A red arrow pointing from the text 'Type of money, you will know by Colors' to the legend in the Portfolio section.

1) Notice your Portfolio what type of money do you have

* this example have BTC because the color of the circle is orange

All is orange = BTC

Type of money, you will know by Colors
